Q. (1) Comprehension of stock Market Reports.

(22)

Sensex Soars by 73 Points.

Mumbai, March-4.
The bull grip tightened further on the stock market here today on hectic speculative support and short covering. A strong support also came from foreign institutional investors.

The buying frenzy continued as the Sensex soared to close with a gain of 73 points at 3944. The turnover was heavy and the undermost strong.

The bourses in the country experienced frenzied buying after a period of about two years following an extremely good union budget.

UP country operators were active. They placed orders for TISCO, TELCO, Colgate and Hindustan Unilever. FIIs bought small lots of TELCO, L&T and Hindustan Unilever.

Domestic players lent support to a number of scrips of group A. Cash shares also evoked fresh support from investors.

Initially the market ruled weak on profit realization, but as the session progressed an all-round brisk support lifted prices to close with good gains.
